THE NEXT GENERATION OF VACUUM PUMPS

A2L CERTIFIED

VPX7 | VP87 | VP67

Change oil on the fly without losing vacuum.

- **Best in class flow rates VPX7 10CFM, VP87 8CFM, and VP67 6CFM get the job done fast. All three pumps are lightweight & portable.**
- **Durable, sturdy pumps with a strong base and a small footprint eliminate spills. Easy to use hose valve ports keep hoses in line and easy to work around.**
- **RunQuick® Oil Change System allows oil changes on the fly – no need to turn off the pump and you won't lose vacuum.**
- **Massive back-lit oil reservoir with removable window for cleaning lets you clearly see the condition of the oil while the pump is running.**

EPO COATED

REVOLUTIONARY RUNQUICK® OIL CHANGE SYSTEM

Clean oil is key for an efficient evacuation and so easy to achieve with the RunQuick® Oil Change System. Monitor oil condition through a large backlit window that is removable for cleaning. Replace oil with the 8 ounce on-board spare in under 20 seconds, while the pump is running, without losing vacuum. Quick, clean, and easy.
