Get an extra 2 years of warranty when you professionally purchase and install your ecobee3 lite.

*Requires professional installation. Product must be returned to installing contractor. See warranty certificate for complete details and restrictions.

EB-STATE3LTBR-01

Here's why pros love us.

NO POWER-STEALING OR RECHARGING

No common wire? No problem. ecobee comes with a Power Extender Kit so it doesn't rely on other equipment to charge itself.

COMPATIBLE WITH MOST

Works with gas, oil, electric, and dual fuel systems. Supports conventional (2H/2C) and heat pump (4H/2C) systems. For full details, visit ecobee.com/compatibility.

SMART AND EFFICIENT

The Bryant Connected Portal can gather system settings from any ecobee Smart Thermostat to provide customers with quicker and more efficient service.

EASY TO INSTALL

Everything you need comes in the box, plus direct access to support when needed.

HELPS MANAGE HOT OR COLD SPOTS

Pairs with Room Sensors™ to help with hot or cold spots throughout the home. Room Sensors measure temperature to deliver comfort to the rooms that matter most. Sold separately.

Here's why consumers love us.

CONTROL FROM ANYWHERE

Customers can control their ecobee from anywhere with an iOS® and Android® device.*

*Thermostat must be connected to Wi-Fi®. App requires iOS® or Android® mobile device.

PROVIDES SAVINGS

Save up to 23% on heating and cooling costs.*

*Compared to a hold of 72°F. See <https://www.ecobee.com/savings/> for details.

EXPERTLY INSTALLED

Installed by a Bryant contractor ensures that the thermostat is configured to optimally run the heating and cooling equipment.

AT YOUR CONVENIENCE

Everything you need comes in the box, plus direct access to support when needed.
