

# ET478

## EXPRESS TORCH

This self-lighting hand torch, with its pistol grip, provides a better ergonomic solution for the user. The integrated igniter is easy to replace and there are several torch tips to choose from. Used with standard 14.1 oz. MAPP gas cylinder. (Uses MAPP gas only)

### Features / Benefits

- Lightweight
- Dual mode trigger (momentary & locked)
- Replaceable piezo igniter
- ET4728 brazes up to 1 1/8 in.
- Works with 14.1 oz. MAPP gas cylinder

### Multi-Tips: Choose the right tip for the job
