Work smarter with the Mini-Split Bib® Kit from SpeedClean®

Designed specifically for ductless/mini-split air conditioning systems, the Mini-Split Bib® Kit from SpeedClean is the fastest and safest way to clean mini-split coils, fans and more. It attaches to virtually any mini-split system and allows you to use pressurized water on coils and fans, safely and easily. The Mini-Split Bib® Kit's patent pending technology keeps water away from walls and other surroundings and delivers it into the included 5 gallon (18,9 L) bucket for proper disposal. Now you can properly clean coils the way you want to. And when the work is done, simply pack the kit back into the 5 gallon (18,9 L) bucket it comes with and move onto your next job. Now that's smart.

Clean inside the system

Clean coils from the front

Clean fan blades and blower wheel

- Complete kit: Bib, adjustable mounting brackets, 5 gallon bucket (18,9 L).
- Fits virtually any brand ductless fan unit up to 44" (111,7 cm) wide.
- Keeps walls and surroundings safe from water and cleaning chemicals.
- Quick to set up and easy to move from job-to-job.
- Includes 8' (2,4 m) drain line for high mounts.

SPEEDCLEAN®

Mini-Split Bib® Kit from SpeedClean®
