FULL-SIZED LIGHT
POCKET-SIZED TOOL

KLEIN TOOLS®

INSPECTION PENLIGHT WITH LASER

The new Klein inspection penlight uniquely features a laser that can be used to pinpoint hard-to-reach places, which is ideal for communicating with foreman, inspectors, colleagues, etc. Helping to reduce, or even eliminate, mistakes is what makes the Inspection Penlight with Laser a jobsite necessity.

- **LED penlight** for up-close lighting in dim areas
- **Laser pointer** pinpoints objects or features that are out of reach
- **Glow ring tip** charges while the light is on and allows for easy retrieval in the dark
- **Pocket clip** for easy, convenient storage
- **Aluminum body** with textured aluminum handle

56026

FLASHLIGHT WITH WORKLIGHT

The new Klein Flashlight with Worklight is a better alternative than a large, heavy flashlight when working in low light areas. This light is both a bright, focused flashlight and a broadcasting flood light in one small package. Just secure the light on a metal surface with the strong magnet for convenient hands-free function.

- Bright, **focused flashlight and broadcasting worklight** in one tool
- **Strong magnet** for secure, hands-free illumination
- **Glow ring tip** charges while the light is on and allows for easy retrieval in the dark
- **Waterproof** and **dustproof**
- **Pocket clip** for easy, convenient storage
- **Aluminum body** with cushion-grip handle
