SPECIFICATIONS

MODEL	AIR KNIGHT® IPG® 7"	AIR KNIGHT® IPG® 14"
DIMENSIONS	6.5"H X 6"W X 9.9"L	6.5"H X 6"W X 14.5"L
MOUNTING PLATE	8"H x 8"W	
ELECTRICAL	AC 24V 50/60Hz. Expanded range ballast.	
POWER CONSUMPTION	13 Watts	14 Watts
HEAT RATING	176°F (80°C)	
AIRFLOW	Suitable for up to 3 ton systems	Suitable for 3+ ton systems
WARRANTY	7-yr power supply. 4-yr cell. 2-yr bulb.	
PART #	TT-AK24IPG-7	TT-AK24IPG-14
REPLACEMENT CELL PART # Includes bulb.	TT-IPG-CELL7	TT-IPG-CELL14
REPLACEMENT BULB PART #	TT-AK7-BULB	TT-AK14-BULB

Specifications subject to change without notice.

As additional safety support, the Air Knight product-line has received the following universally accepted UL certified listings; UL 1598, UL 1995, UL 867, CSA C22.2 No. 250.0 and CSA C22.2 No. 236. We are not aware of any other manufacturer of in-duct Pro-Active Air Purifiers that has received design validation from UL.

U.S. Patent Nos.: 5,334,347, 5,817,276, 6,245,293, 6,267,924, 6,280,686, 6,313,470, 6,627,000, 6,539,727, 6,932,494, 6,550,257.

EPA Establishment No. 73316-TX-1

Visit <https://www.airknightiaq.com/testing> for a list of product tests on Air Knight® products.

The product and technologies described are not medical devices, and are not intended to diagnose, treat, cure, or prevent any disease or illness.

All claims made herein are based on third-party laboratory testing paid for by Dust Free®, LP.

ZERO OZONE EMISSIONS - MEASURED OZONE EMISSIONS FROM AIR KNIGHT IPG DURING USE PHASE DOES NOT EXCEED 0.005 PPM AS TESTED BY UL 867.
UL.COM/ECV

NOTICE
Qualified Technicians Only.

This device must be installed in compliance with all national and local electrical and mechanical codes. Failure to do so will void Dust Free® Warranty.

INSTALLATION NOTES

1. Unit should be installed after the air handler or furnace in the HVAC system, prior to any branch duct takeoffs.
2. The ductwork around the installation area should be clean and dry to insure proper adhesion of the gasket materials and any tape used.
3. An approximate 4" opening will need to be cut into the existing ductwork to install unit properly.

Fig. 1 HVAC system.

AIRFLOW ORIENTATION (Remove air flow tag before installation)

Be sure to orient the unit for proper airflow through the IPG core in either horizontal or vertical air flow systems. Air should be able to freely flow through IPG core as shown.

It is recommended that the fan setting on your thermostat be set to ON to ensure continuous air flow through the IPG core.

Fig. 2 Orient core in proper airflow direction.

NOTICE

Qualified Technicians Only.

This device must be installed in compliance with all national and local electrical and mechanical codes. Failure to do so will void Dust Free® Warranty.

METAL DUCTWORK INSTALLATION

- Locate a suitable area of the duct for installation. Minimum 8" area. If needed, cut away insulation to expose metal duct.
 - Mark location for 4" opening using the included mounting plate as a template.
 - Cut opening for the device.
 - Remove the backing from the mounting plate gasket, center mounting plate over opening, and press onto the duct. The adhesive gasket will hold the mounting plate in place.
 - Secure the mounting plate using self-tapping screws.
 - Insert device into opening and secure with knurled nuts.
- Note: Be sure airflow will pass in the proper direction as indicated by the arrow on the top of the core. (See fig.3)
- Connect to proper power and test operation. The operation indicator light on the face of the device should be on.

Fig. 3 Cut opening in duct, attach mounting plate, and install device.

FIBERGLASS DUCTWORK INSTALLATION

For fiberglass ductwork installations, follow metal ductwork installation steps, but use 3" toggle bolts to attach mounting plate.

WARNING

Electric Shock Hazard.
Can cause injury or death.

Electrical wiring of the unit to the HVAC system should be done by a licensed HVAC technician or electrical installer.

WARNING

UV Light Hazard.

Can cause serious eye and skin damage.

Do not look at UV-C light. Wear UV-C eye and skin protection

MAINTENANCE/UV BULB INDICATOR

For optimal performance, replace the IPG core w/UV bulb (7" core - #TT-IPG-CELL7, 14" core - #TT-IPG-CELL14) every 4 years. Replace the UV bulb (7" bulb - #TT-AK7-BULB, 14" bulb - #TT-AK14-BULB) every 2 years. Replace even if the UV bulb appears to be operating normally.

The LED on the face of the device indicates proper UV bulb operation. If the indicator does not glow after verifying the unit has power, proceed to replacing the UV bulb.

CORE INSPECTION

The ionization system should be inspected annually. Carefully clean the honeycomb with compressed air (20 PSI MAX) and ensure there are no flow obstructions within the honeycomb. Do not use any solvents or cleaners on the unit during service.

 **WARNING**
Mercury Hazard. Do Not Break.
*UV-C bulb contains a small amount of Mercury. May cause redness or irritation.
Manage in accordance with disposal laws. www.lamprecycle.org*

CHANGING THE CORE OR UV-C BULB

- Disconnect the device from power.
- Removed the knurled nuts securing the device and remove the device from the core.
- Remove the screws securing the core.
- Remove the core from the device and dispose of properly. Note: If only changing the UV-C bulb, detach bulb from device and dispose of properly.
- Secure the new core or new UV-C bulb to the device. **DO NOT TOUCH clear quartz portion of bulb with bare hands or any contaminated material.**
- Reverse the previous steps to return the device to operation.

Fig. 4 Replace the core every 4 years and replace the UV bulb every 2 years.

DISPOSAL OF PX5 CORE AND UV LAMP

Dispose of spent PX5 core and UV lamp at your local recycling center. You may also send your spent PX5 core and UV lamp, in the same container you received your replacement, to:

Air Knight Reclamation:

1112 Industrial Drive
Royse City, TX 75189

Hg-LAMP CONTAINS MERCURY Manage in accord with disposal laws.
See: www.lamprecycle.org

! WARNING
UV Light Hazard.
Can cause serious eye and skin damage.
Do not look at UV-C light. Wear UV-C eye and skin protection

! WARNING
Electric Shock Hazard.
Can cause injury or death.
Electrical wiring of the unit to the HVAC system should be done by a licensed HVAC technician or electrical installer.

! NOTICE
Clean lamp prior to installation.
Use a cotton cloth to remove dirt and fingerprints. Failure to do so could shorten the lamp's lifespan.

LIMITED WARRANTY

This warranty supersedes and replaces any warranty statements made orally by the Sales Person, Distributor, or Dealer, or contained within the written instructions or other brochures or informational documents related to this product.

Dust Free®, LP (Dust Free) warrants to the original purchaser that the Air Knight IPG (other than the IPG Core and the UV Bulb) shall be free from defect in material and workmanship under normal use and service, for a period of seven (7) years from the date of original purchase. Dust Free warrants to the original purchaser that the IPG Core shall be free from defect in material and workmanship under normal use and service, for a period of four (4) years from the date of original purchase. Dust Free warrants to the original purchaser that the UV Bulb shall be free from defect in material and workmanship under normal use and service, for a period of two (2) years from the date of original purchase. Dust Free's obligation under this warranty shall be limited to repair or replacement of those goods which prove defective, provided that such products are installed, maintained, and operated for the purpose and in the manner intended and for which Dust Free instructs or recommends. Neither Dust Free nor its dealers shall be liable for any special or consequential damages directly or indirectly arising from the design, construction, installation, servicing, or operation of the goods. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. THIS IS DUST FREE'S SOLE WARRANTY AND THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEROF. NEITHER DUST FREE NOR ITS DEALERS MAKE ANY OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEED DUST FREE'S AFFORESTED OBLIGATIONS ARE HEREBY DISCLAIMED AND EXCLUDED FROM THIS WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. DUST FREE'S AND ITS DEALER'S LIABILITY UNDER THIS WARRANTY SHALL IN NO EVENT EXCEED THE COST OF THE GOODS SOLD UNDER THE CONTRACT OF SALE.

Dust Free neither assumes, nor authorizes any person to assume for it, any obligation in connection with the goods. This warranty shall not apply to any goods: (a) which have been subjected to misuse, tampering, negligence, or accidents; (b) the serial numbers of which have been altered, defaced, or removed; or (c) which have been used in a manner contrary to Dust Free's instructions or recommendations. This warranty may not be assigned or transferred. If any portion of this limited warranty is held illegal or unenforceable by reason of any law, such partial illegality or unenforceability shall not affect the enforceability of the remainder of this limited warranty.

For Warranty Claims:

By Telephone: Call Dust Free® at 1-972-635-2323, and ask to speak with a Customer Service Representative regarding a potential Warranty Claim. The Customer Service Representative will provide further instructions.

By Website: Visit Dust Free's website at www.dustfree.com and click on the "Contact" link to report a potential Warranty Claim. A Customer Service Representative will reply by email and can provide further instructions.

Dust Free®, LP, PO Box 519, Royse City, TX 75189. Please do not mail Warranty Claim requests or your product to this address. Warranty Claim requests are only accepted by telephone and through the website.

Include a copy of your Bill of Sale, Invoice or Receipt of Purchase, with an explanation of the problem or defect.
