UX-TOUCH01

7" Wi-Fi Touchscreen compatible with ZeroWire & xGen

Overview

The 7" TouchScreen provides a new way to interact with ZeroWire or xGen control panels. Accommodating up to four 7" TouchScreens per system, System owners can control their system from multiple locations throughout their property.

Communication

The 7" Touchscreen connects to ZeroWire or xGen control panels wirelessly via Wi-Fi® and features an icon-operated interface that's nearly identical to the UltraSync mobile app. The common interface between the 7" Touchscreen and the mobile app helps to reduce operator learning time and improve the overall user experience.

At a glance visibility

The 7" Touchscreen provides at-a-glance visibility to system status and easy operation through an icon-rich interface. It also provides audible signals to indicate when the system is in an arming/disarming sequence and will siren when the system is in alarm.

Details

- Up to four 7" TouchScreens supported on a single ZeroWire/ xGen panel
- Connectivity via a wireless Wi-Fi router
- Micro-USB power supply
- Tabletop or wall-mount placement
- Controls for individual as well as all areas/partitions of a ZeroWire/ xGen system: arming/disarming, automations, lighting control, door lock control, thermostat control, live video and recorded clips, systems settings and programming.

UX-TOUCH01

7" Wi-Fi Touchscreen compatible with ZeroWire & xGen

Technical specifications

General

User interface	TFT LCD 7" colour touch screen
Product line	xGEN, ZeroWire
Display Size	18 cm
Display resolution	1024 x 600

Communication

Communication type	Wireless
Wireless protocol	Wi-Fi 2.4 GHz

System

Personal voice guide	No
Intercom functionality	No
Languages	English UK
Operating system	Android Android Android

Electrical

Power supply type	100 to 240 VAC

Physical

Physical dimensions	192 x 116 x 16 mm
Net weight	760 g
Colour	White
Form factor	Horizontal
Mounting type	Desk-based, Wall mount
Material	ABS

Environmental

Vandal proof	No
Environment	Indoor

Standards & regulation

Compliancy	CE
