COOL AIR
Elevating the Trades

Wherever the job... UltraCool Wipes ®the ultra-handy wipe.™

INFORMATION SHEET

Part Number: CAP-431
Case Count: 6 Tubs / Case
Tub Count: 120 Towels / Tub
Towel Size: 9" x 11"

What are UltraCool Wipes?

UltraCool Wipes were originally created as a unique waterless hand cleaner combined with a heavy duty non-abrasive cleaning towel. UltraCool Wipes contain a specially formulated dissolving agent for grease and grime that quickly dries after use. The result is hands that are clean and protected with four skin conditioners including aloe and vitamin E.

What else can UltraCool Wipes clean?

You, the customer, have been letting us know many other ways you are using UltraCool Wipes for your cleaning projects. One of you even nicknamed it the "goof" cleaner. Some of your suggestions are listed on this sheet to help others get an idea of how UltraCool Wipes can solve some of their cleaning problems. Thanks for the enthusiasm about this product! Continue to let us know how you use UltraCool Wipes.

Hand Cleaning:

NO WATER NEEDED! You can clean up any place, anywhere! Also removes odors from hands — like diesel and gasoline odors, fish and onion smells!

Are UltraCool Wipes economical?

Yes! They are very economical when you consider the use of rags and cleaners, plus time saved by having the convenience of a multiple cleaner in one. *Your time is valuable too!*

Are there any recommendations or cautions made when using UltraCool Wipes?

Yes. We recommend pre-testing plastic surfaces for compatibility. UltraCool Wipes may not not be suited for certain clear plastics such as plexiglas or styrene. Items such as computer screens, microwaves, VCR's and vehicle instrument panels may be made of these plastics. Do not use on any item with a protective finish, such as brass or finished furniture. Also, after using UltraCool Wipes on floors for spot cleaning or prepping for painting, wash area with mild detergent.

Are UltraCool Wipes friendly?

Yes! UltraCool Wipes has four skin conditioners and is non-flammable! After use, simply discard as a normal paper towel observing general care regarding cleaning products.

Is there anything else I should know?

UltraCool Wipes is a great tool for cleaning; however be aware that we do not guarantee the same results in every situation due to the many varying conditions. As a rule, pre-test surfaces in an inconspicuous area.
