MOUNTING KITS

FOR OPTIPOINT™ DISPLAYS AND INTERFACES

MOUNTING KITS FOR OPTIPOINT DISPLAYS AND INTERFACES

The OptiPoint IAQ displays and OptiPoint Equipment Touch interfaces can be optionally wall-mounted using the EQT2 Wall Mounting Kits. There are four parts that are packaged into two part numbers for each size to accommodate mounting to drywall already in place in a retrofit application or in a new-construction application where an electrical box is desirable or required.

KEY FEATURES AND BENEFITS

- Secures easily to drywall using drywall tabs
- Includes wall cutout template
- Provides easy access to wiring terminations
- Delivers a clean and attractive finish
