Material Safety Data Sheet

Section 1: Product & Company Identification

Product Name: Closed Cell NBR/PVC Rubber Foam Tape
Trade Name: Pipe Wrap
Manufacturer: Zone Enterprises, LLC
Product Group: Foam Rubber

Section 2: Hazardous Ingredients

None

Section 3: Hazard Identification

Composition Information: Compound Material with NBR Rubber and PVC Resin
Hazardous Identification: None

Section 4: First Aid Measures:

The following first aid recommendations are based on an assumption that appropriate personal and industrial hygiene practices are followed.

Eye Contact: Gently rinse affected eyes with clean water and get medical attention

Skin Contact: There is no serious affection to the contacted skin. Wash with soap if necessary.

Ingestion: Rinse mouth with clean water. Get medical attention if necessary.

Section 5: Fire Fighting Measure

Extinguishing Media Foam or dry chemical powder.

Special Fire Fighting Procedures: Wear full protective equipment (Bunker Gear) and a self-contained breathing apparatus. (SCBA).

Special Fire & Explosion Hazards: During a fire, irritating and toxic gases (carbon monoxide, etc) may be generated by thermal decomposition or combustion.

Section 6: Accidental Release Measures

Accidental Release Measures: Not Applicable

Section 7: Handling And Storage

Handling: Avoid rough handling or dropping.

Storage: Store at ambient temperature in a warehouse. Use normal room ventilation and keep away from direct sun, water, heat, fire, ultra-violet light.

Section 8: Exposure Controls / Personal Protection

Engineering Controls: Not Applicable

Personal Protective Equiptment (PPE):

Eye / Face Protection: Wear goggles or equivalent eye protection

Hand Protection: Wear cotton or rubber gloves.

Respiratory Protection: Under normal use conditions, airborne exposures are not expected to be significant enough to require respiratory protection.

Skin Protection: Wear working clothes or working shoes.

Exposure Guidelines: None Established

Section 9: Physical & Chemical Properties

Appearance: Porous Solid

Apparent Density: 55 ± 10 kg/m^3

Solubility In Water: Insoluble

Odor: Slight Odor

Section 10: Stability & Reactivity

Catch Fire Point: 450^o

Ignition Point: None

Stability: Stable

Section 11: Transport Information

Keep away from sources of ignition
Follow all regulations in your country.

The information presented herein is supplied as a guide to those who handle or use this product. Safe work practices must be employed when working with any materials. It is important that the end user makes a determination regarding the adequacy of the safety procedures employed during the use of this product.
