

STAR-TUBE-600

Item Number 3004186

Flexible silicone hose for multiple use in air conditioning and refrigeration. Designed as a low-vibration star hose, 600 inches, Ø 1/4, without siphon, for cutting to the desired length.

- Star shape reduces noise from vibrations
- Thick wall thickness prevents hose from bending and thus blocking water flow

Technical Data

Material	Rubber
Color	yellow
Number of Hoses	1
Length	600 "
Diameter	1/4" I.D.
Packaging	Joker Bag

Accessories

3004065	HSG-4065/4	Siphon Device, 4 pieces
