Premier Indoor Plenum Coils

The Premier Upgrade for Any System

Introducing Healthy Solutions® Premier Plenum Coils by ADP. These coils match perfectly with your system, providing an upgrade over standard matched plenum coils.

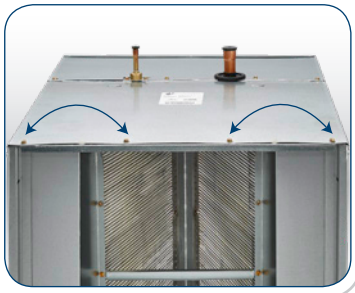

Top refrigerant connections for installation flexibility

UV light knockouts

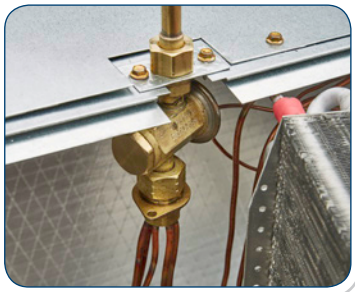

Top panel with only four screws for fast and easy coil access

Pilot holes for fast secondary drain pan attachment

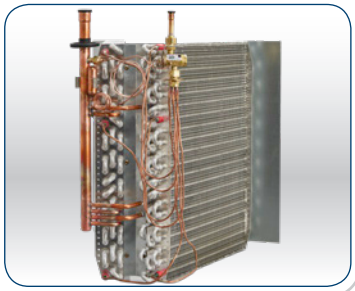

TXV with all threaded connections; no brazing required

Optional patented float switch is designed to shut off the unit for drain overflow protection

Light weight aluminum evaporator coils with aluminum header plates

Improved Air Quality

Microbes can double every 20 minutes on an untreated surface!

Standard plastic pan with visible mold

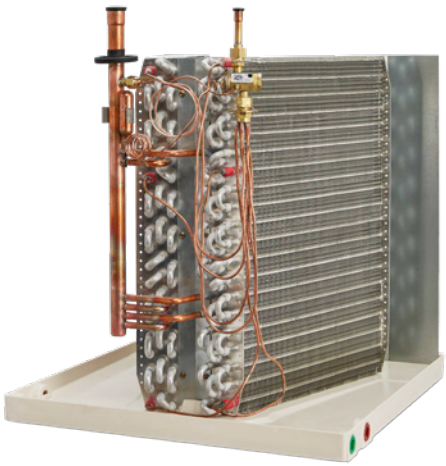

UV resistant plastic pan with Microban® antimicrobial additive

Mold is part of our environment and there are no practical ways to completely eliminate mold spores. The best defense against mold in a home is to prevent it from taking hold through moisture control and the use of mold resistant building materials.

Every Healthy Solutions® coil features Microban® technology, providing added protection against the build-up of mold and mildew within your system!

All-in-One Solution

ADP provides a light weight plenum coil solution with premier features and benefits.

Sloped Drain Pan

Patented "V" pan directs water to the front of the pan and away from furnace flue connection

Dual Drain Connections

Green/Red connections on each side for easy installation

Attic Access

Built-in handle allows easy lifting through tight spaces

Top Refrigerant Connections

Counter flow and line re-routing not required
