ClenAir by Nu-Calgon

Specialized Chemicals

A/C Shine

- **Spray on - wipe off**
- **Cleans & protects in minutes!**
- **Removes dirt & stains**
- **Restores original shine**
- **The perfect "finish" to every job**
- **For use on all painted metal surfaces of outdoor A/C condensing units**

Description

A/C Shine is specially formulated to clean and protect the painted metal surfaces of outdoor A/C condensing units. It sprays on and wipes off quickly and easily without water. Use A/C Shine on every service call.

Application

For outdoor painted metal surfaces of A/C condensing units, generators and other painted outdoor equipment.

Packaging

	Nu-Calgon #	ClenAir #
12 oz.	**61118**	**AC12**

Directions

Shake can well. Spray a section of the unit & wipe off with a soft cloth. Turn cloth and wipe lightly to enhance shine. Reapply for stubborn dirt or greater shine. Use A/C Shine at least once a year to clean and protect A/C Units. Use on painted surfaces only.
